# Message to Readers

It gives us immense pleasure to present this year's School Chronicle, a reflection of our collective efforts, achievements, and aspirations. Within these pages, you will find the creativity, curiosity, and commitment of our students, guided by the dedication of our teachers and the support of parents. This chronicle stands as a testimony to our journey of learning, growth, and excellence. We hope it inspires you and fills you with pride as you relive the memorable moments of the academic year.

Happy Reading

# Chairman's Panorama

Dear Students, Parents, and Members of the KMS Family, Education today is about empowering minds to think, explore, and innovate. At Kamal Model Sr. Sec. School, we believe in nurturing learners who not only achieve excellence in academics but also embody empathy, confidence, and resilience.

Every new initiative we undertake, whether through technology, art, or sports, is aimed at preparing our students to thrive in a dynamic world. I take immense pride in the commitment of our teachers, the trust of our parents, and the spirit of our young achievers. As we move forward, let us continue to embrace change, celebrate creativity, and uphold the values that make us who we are responsible citizens and compassionate human beings.

Warm regards

*Dr. Ved Prakash Jandon*

# PRINCIPAL'S PERSPECTIVE

Dear Students, Parents, and Guardians,  
Each milestone in our school's journey reflects the collective effort of an inspiring community of learners, educators, and parents. I am immensely proud of how our students continue to evolve—not just in knowledge, but in kindness, curiosity, and courage.

In our classrooms, learning goes beyond books. It's about asking questions, experimenting, collaborating, and celebrating every success, big or small. The dedication of our teachers and the support of parents have been the pillars of our progress. As we look ahead, may we keep nurturing young minds to be thinkers, dreamers, and changemakers – ready to face tomorrow with confidence and compassion.

With best wishes,

*Dr. Vandana Jandon*

# Academic Director's Message

Dear Students, Parents, and Teachers,

It brings me immense joy to witness the progress and positivity that define our school's spirit. Every achievement – be it academic excellence, creative expression, or acts of kindness – strengthens our belief that true education shapes both mind and heart.

This Chronicle mirrors our students' enthusiasm, resilience, and imagination. It celebrates not just their success but also their journey of learning and discovery. Let us continue to work together – teachers guiding, parents supporting, and students striving – to make each day an opportunity for growth and inspiration.

Guiding Growth, Celebrating Progress.

With Best Wishes,

*Mrs. Pramila Mishra*

# Academic Director's Message

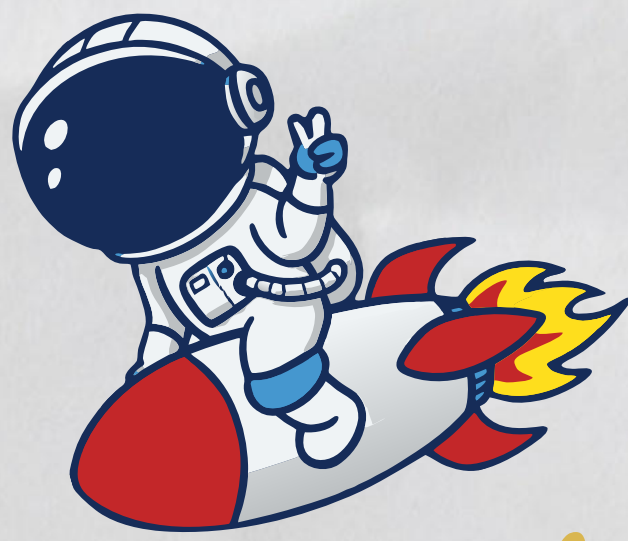

Education is a journey of endless possibilities, and at Kamal Model Sr. Sec. School, every step of that journey is filled with learning, laughter, and growth. It fills me with pride to see our students evolve into confident, capable individuals who balance intellect with integrity.

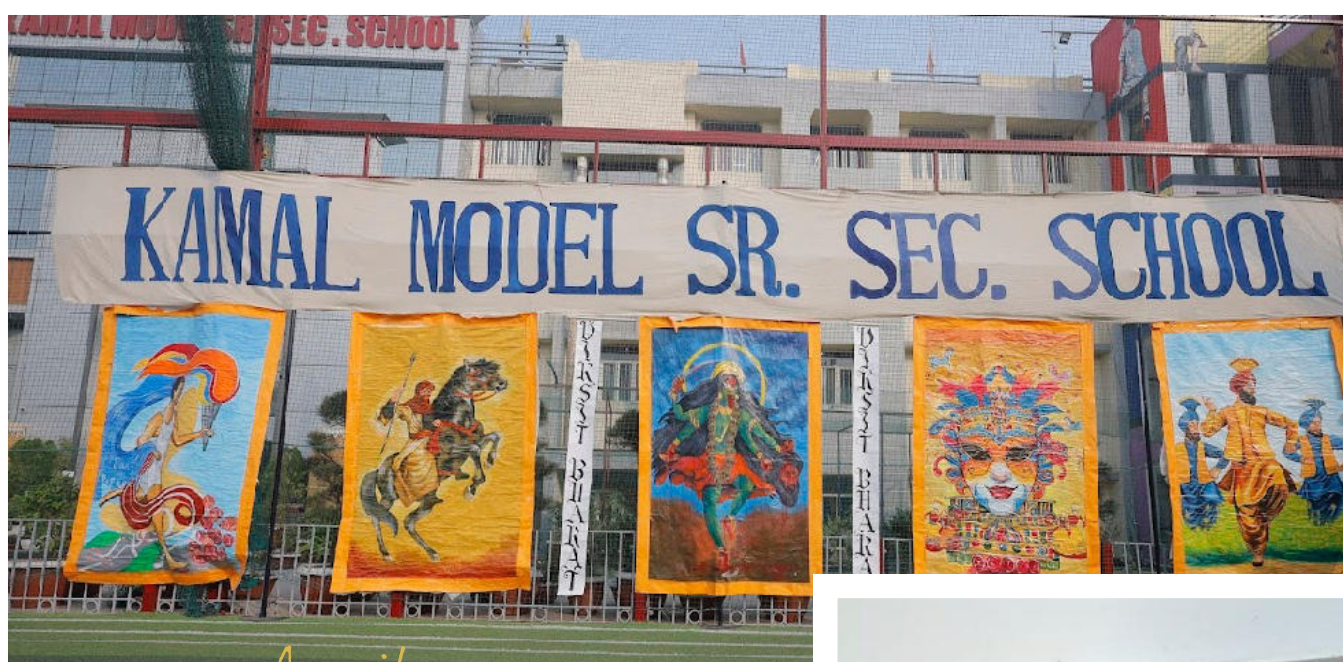

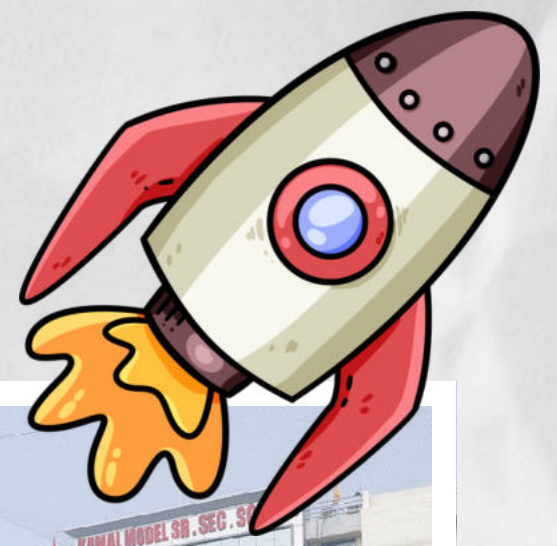

Our academic vision is rooted in innovation – where learning is interactive, inclusive, and impactful. We continue to create opportunities that ignite curiosity and build lifelong skills. This edition of our chronicle beautifully captures the essence of our shared journey – where every achievement is a reflection of hard work, teamwork, and heartfelt dedication.

With best wishes,

*Mrs. Sakshi Jandon*

# GEO GEETA GYAN

ज्ञान योगः

गीता हमें ज्ञान के मार्ग पर चलने का  
उपदेश देती है, ज्ञान प्राप्त करके हम मोक्ष  
या मुक्ति प्राप्त कर सकते हैं।

Geeta Gyan in Schools (2026) focuses on integrating Bhagavad Gita teachings under NEP 2020 to promote Indian knowledge systems. It aims to instill moral values (Sanskar), enhance concentration through shloka chanting, and connect students with Indian cultural heritage.

Thematic Focus: Karma Yoga (right action), Jnana (knowledge), and Bhakti (devotion) for practical life skills.

Key Initiatives:

GIEO Gita: Offers a structured Gita Vidya curriculum and campus programs.

Geeta Pariwar: Promotes value education, reaching 500,000+ students across 21 states.

Students of Kamal Model Senior Secondary School presented a themed performance titled "Geo Geeta Gyan". The programme was designed to blend geographical concepts with spiritual and philosophical teachings from the Bhagavad Gita (Geeta) — fostering holistic learning, ethical values, and interdisciplinary knowledge among students.

The school administration and faculty extended their gratitude to all participating students, teachers, and support staff for their dedication. Special thanks to the Principal and academic coordinators for facilitating and encouraging such meaningful student-led events.

**Our school presented a Viksit Bharat theme during the Annual Day through dance and skit performances. The program showcased India's journey of progress in education, technology, culture, and unity. Students conveyed the message of a developed, self-reliant, and inclusive India, inspiring pride, responsibility, and hope for the nation's future.**

# Tulsi Diwas

\*Tulsi Diwas (December 25) was celebrated to promote cultural values, environmental awareness, and spirituality through Tulsi Pooja, Aarti, and dance performances by mothers in our school premises.

It helped children learn about sustainability, Indian traditions, and responsibility towards nature.

# VEER BAL DIWAS

Veer Bal Diwas was observed in our school to honor the courage and sacrifice of Sahibzada Zorawar Singh and Sahibzada Fateh Singh. Students learned about their bravery through short talks, stories, and patriotic activities, inspiring values of courage, faith, and righteousness. The program helped inculcate respect for India's rich history and moral values among students.

# Peer Educators

The Peer Educator Programme 2025 aimed to enhance students' leadership, communication, and interpersonal skills while promoting critical thinking, teamwork, and positive behavioural practices.

The programme included orientation sessions, ice-breaker activities, expert talks, guided preparation time, and student presentations. Participants were grouped as:

- Group I: Classes VI–VIII
- Group II: Classes IX–XII

Students from different schools were mixed to encourage inter-school collaboration and exchange of ideas. Each team received 45–50 minutes of preparation time and presented their learning through five-minute creative performances.

### Expert Sessions and Guest Speakers

The programme was honoured by Dr. Preety Sharma, Principal, Holy World School and Director of Academics, Holy Group of Schools and Colleges, as the Guest of Honour.

Expert sessions were conducted by mental health professionals under the theme “Empowering Minds, Building Leaders.”

- Dr. Pavitra Shankar, Psychiatrist, spoke on “The Power of Peer Influence: Becoming a Positive Change-Maker.”

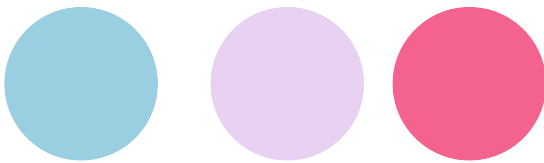

- MS Dhriti Singh Psychologist, addressed “Emotional Intelligence for Adolescents.”

- Ms. Preeti Sinha, Psychologist, discussed “Building Resilience in Students.”

These sessions provided students with practical strategies for emotional well-being, resilience, and positive peer influence.

# National Mathematics Day celebration

Kamal Model Senior Secondary School celebrated National Mathematics Day on 22 December to honor Shri Srinivasa Ramanujan. Students of Classes VII & VIII created Mathematical Totem Pole showcasing his life, contributions, and application of his ideas. The activity was creative, engaging, and informative, inspiring students to think logically and innovatively like Ramanujan.

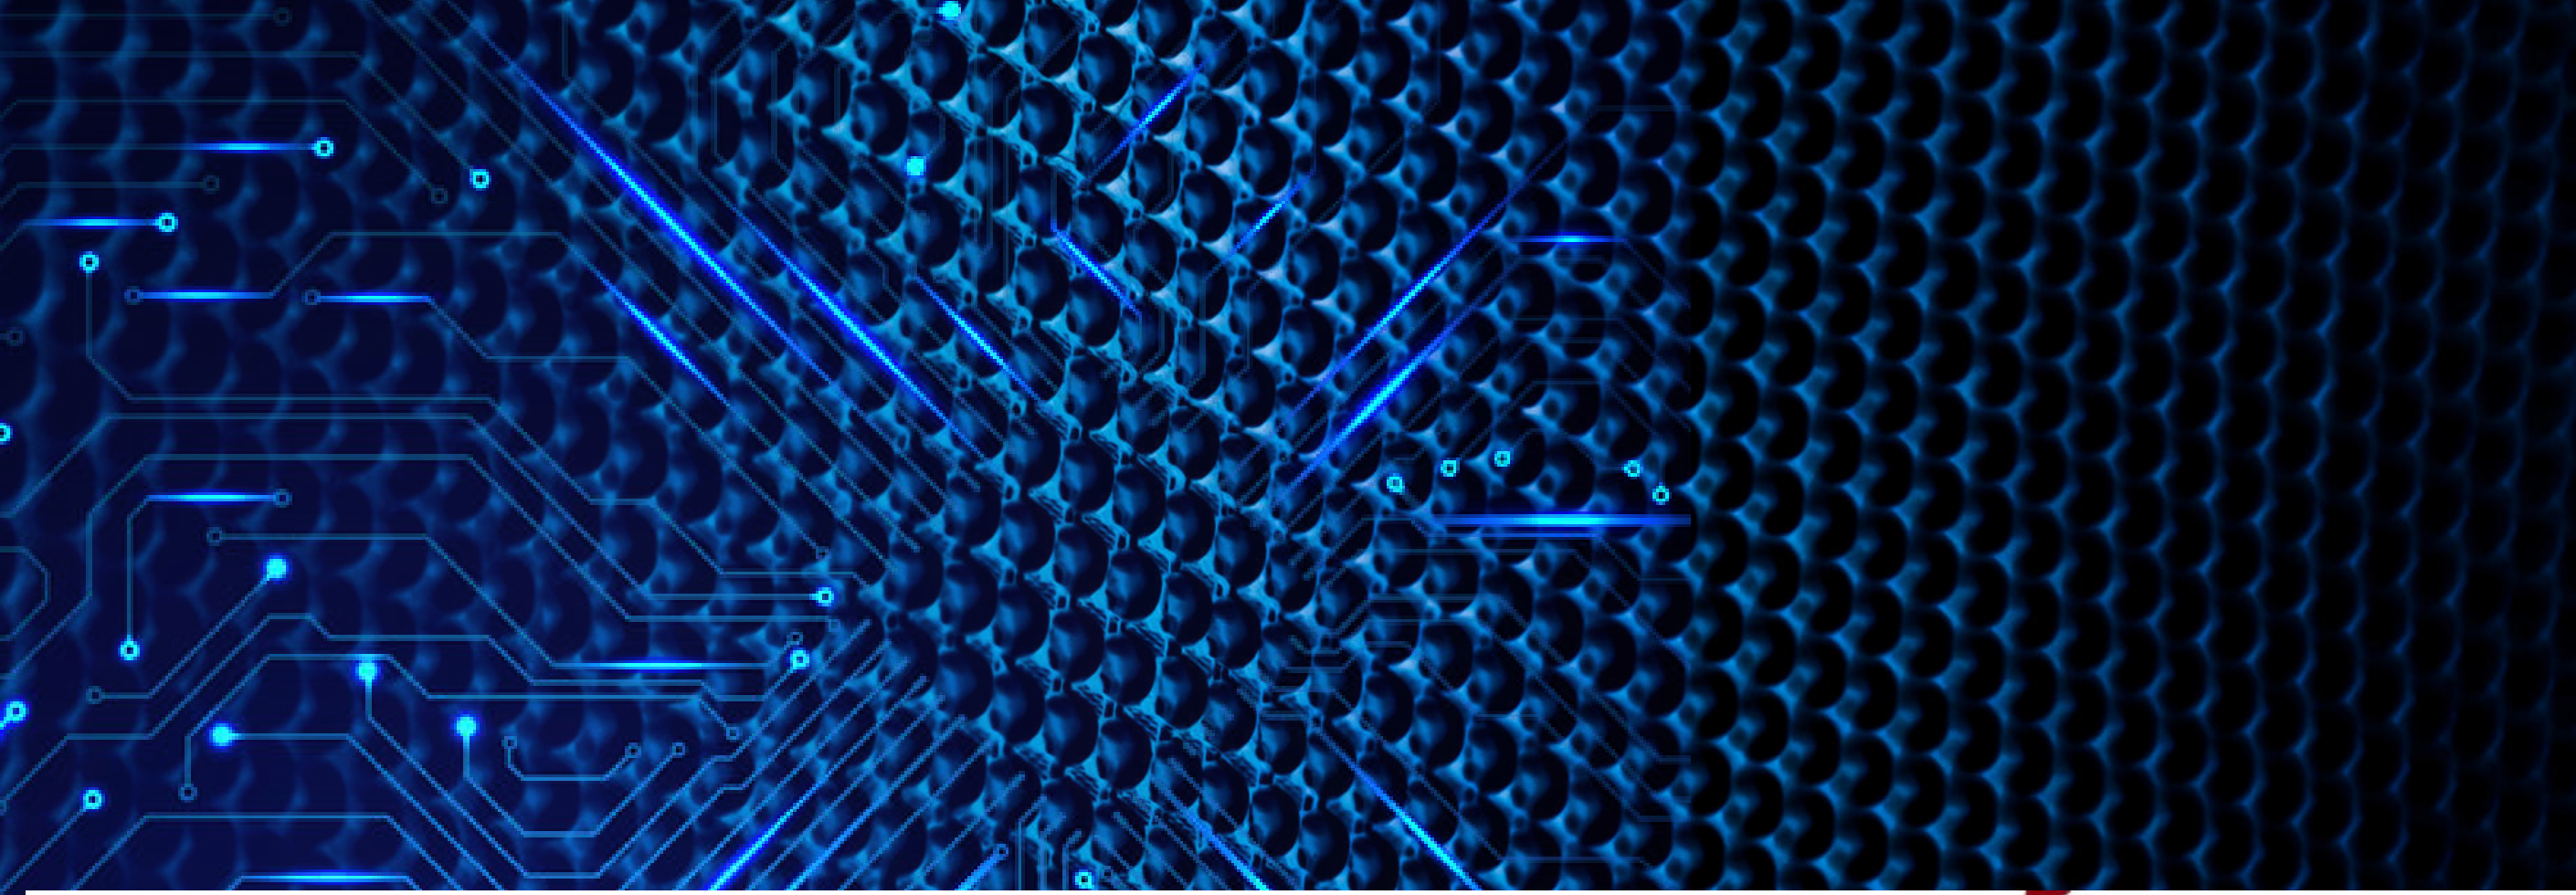

# FIRST INTERNATIONAL CBSE SAHODAYA CONFERENCE 2025 IN DUBAI

Honoured to attend the first international CBSE Sahodaya Conference 2025 in Dubai 🇦🇪 .

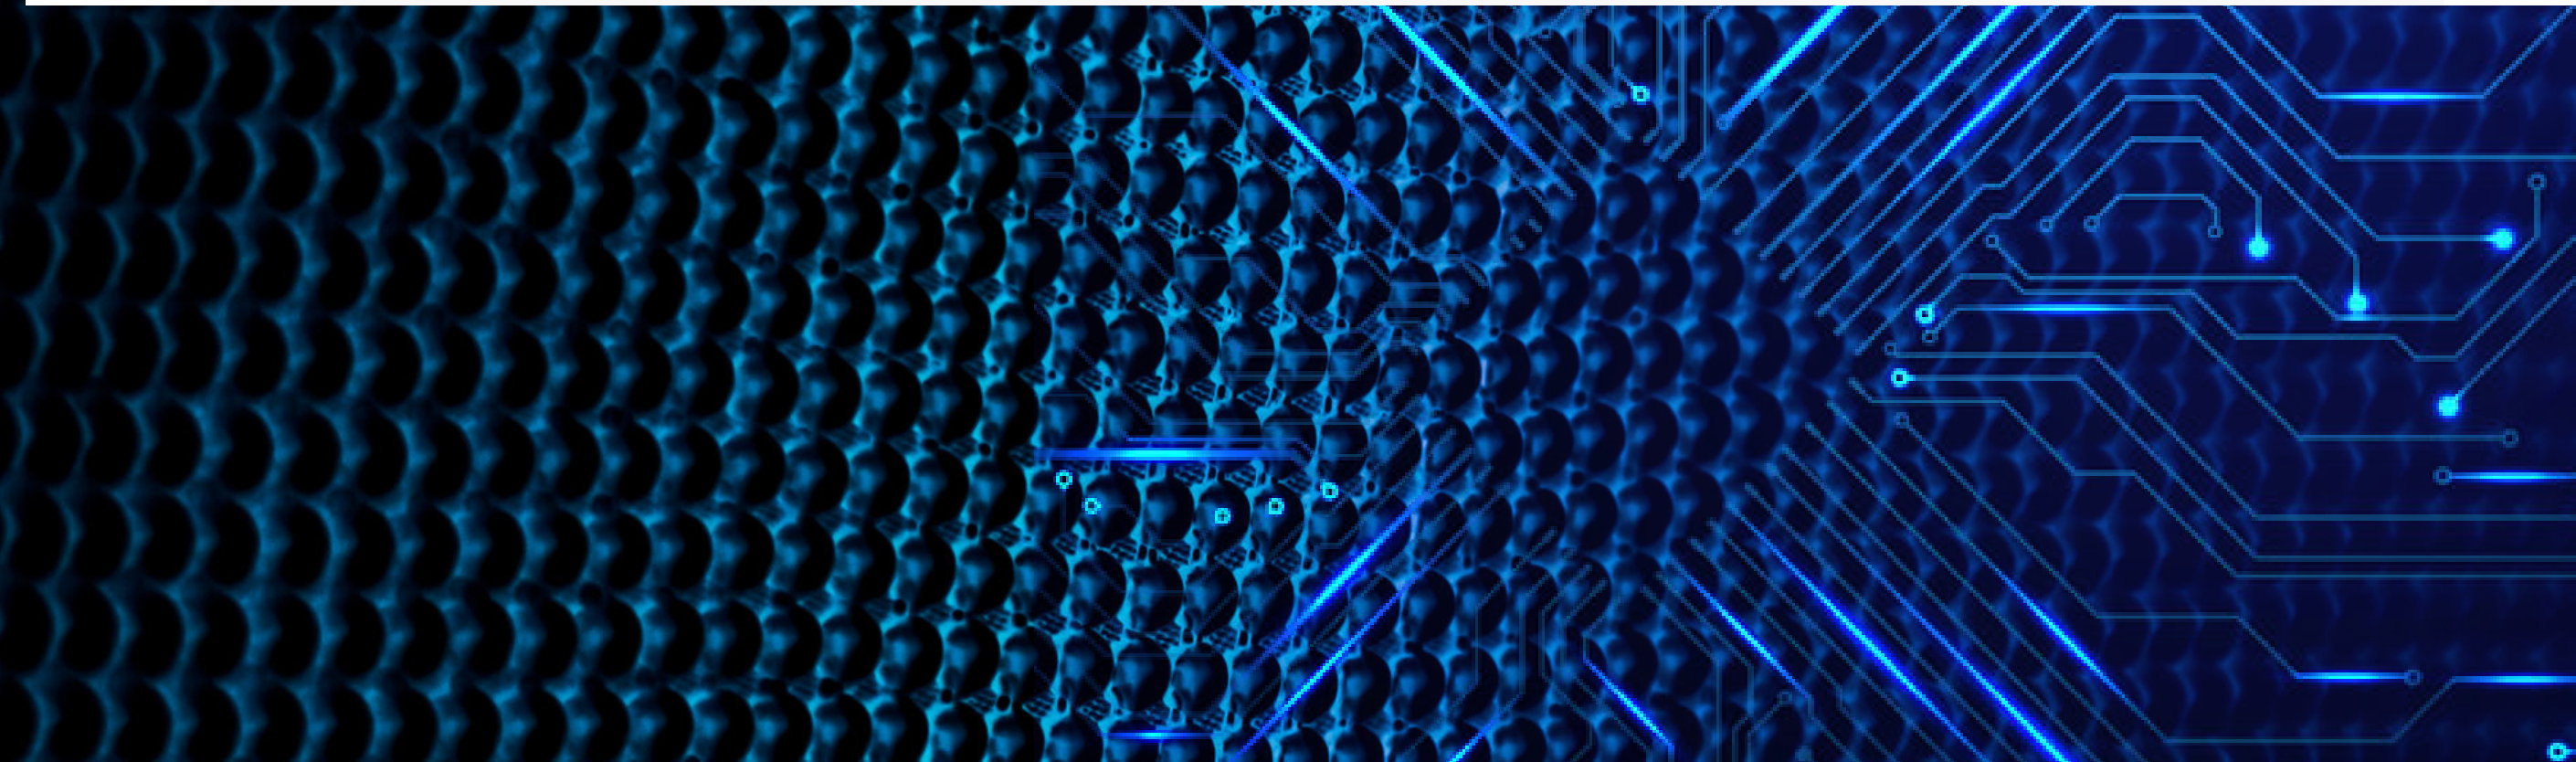

Dr. Vandana Tandon, representing Kamal Model Sr. Sec. School, at this prestigious global educational forum. The conference, graced by the esteemed Chief Guest, Mrs. Sudha Murti, brought together senior CBSE officials, visionary educationists, and school leaders from around the world. Such platforms foster collaboration, shared learning, and innovation – strengthening the collective vision of empowering students to become confident global citizens.
